

Speak Up Sudbury!

We heard
your **ideas.**

And created
a draft **vision.**

Now, let's talk
about the **future.**

March 8, 2011
5:00 p.m. to 9:00 p.m.
St. Andrew's Place
111 Larch Street, Sudbury

A new Master Plan and Action Strategy is being developed to guide the revitalization of Downtown Sudbury over the next ten years.

Last November, we heard what you liked best about Downtown and how you thought it could be improved.

Since then, we have worked with many community organizations to further explore these ideas and develop a first draft vision for Downtown Sudbury.

We want to share, test and re-shape the draft vision with you.
